Founded in 2014, the Cranberry Artists Network is dedicated to providing a vibrant Arts Community in Cranberry Township and the surrounding areas.

Our inaugural show was held on October 3, 2014, and featured a beautiful selection of original works from a talented pool of local artists. We were proud to showcase such a diverse show, which showcased many mediums and styles.

As our organization grows and develops, we hope you will join us to help celebrate and foster the arts in our community.

## Benefits of Membership

Cranberry Artists Network offers artists in Cranberry Township and surrounding areas an opportunity to meet with other local artists and to help promote art in the area.

Members have the opportunity to attend at least two artist work-shops per year, and to submit art to member-only shows. Member art shows are juried and provide exposure in the community as well as the opportunity to sell your work.

## Who is Eligible

Any artist 18 years or older who lives within 50 miles of Cranberry Township may submit artwork for membership screening.

## How to Join

- Fill out the included membership form or the form on the CAN website at [CranberryArtistsNetwork.com](http://CranberryArtistsNetwork.com).
- Attend a screening

Screenings will be held at least twice a year, and will be announced one month in advance. Screenings will be held in the Cranberry Township Municipal Building if available, or another location near Cranberry Township.

If you enter a non-member show,  
your artwork can be screened at the show.

## Screening Guidelines
